    - The Project has reached termination

User Story Completed:
    User Story 1:
        As a socially inclined individual, I want to able to message my matches so that I can interact with people similar to myself.
    User Story 2:
        As a socially inclined user, I want to be able to friend people so that I can stay in close contact with people I've met.
    User Story 3:
        As an individual who's interested in personality tests , I want a functioning test taking page so that I can actually take quizzes.
